EXPERIENCE

THE BEAUTIFUL MESS CATALOGUE: FROM PIXELS TO PRINTS

Hello

Your Moments, Elevated

You've got the photos, the feels, and the fabulous memories - now it's time to let them reign over your walls like the royalty they are. Prints aren't just paper; they're anchors for your stories, daily reminders of the laughter, chaos and tenderness.

Why Print?

Digital galleries are lovely, but prints transform fleeting pixels into tangible treasures. They:

- Turn walls into storytelling spaces
- Invite conversation and connection
- Age gracefully, becoming heirlooms
- Remind you daily of the joy you've bottled up

My Promise

Whether your vibe is coordinated neutrals or full glitter chaos, I'll help you freeze the mayhem, the tenderness and those blink-and-you'll-miss-it moments into keepsakes worth treasuring.

This catalogue is more than a guide - it's an invitation to celebrate your family's beautiful mess in print.

Ready to turn your photos into art?

Let's frame the laughter, the sticky fingers, the rogue cuddles, and the dance moves that weren't scheduled (but absolutely needed to happen).

Q: Can I add text or captions?

A: Yes, sprinkle in quotes, dates, or cheeky one-liners to make your story pop.

Canvases

Q: Are canvases ready to hang?

A: Yes! They come stretched, mounted, and begging for wall space. No DIY disasters required.

Q: Will the colors fade?

A: Nope. We use archival inks that laugh in the face of sunlight.

Q: Can I print a photo from my phone?

A: Totally. As long as the resolution is high enough, we'll make it shine.

Prints

Q: What paper do you use?

A: Premium, museum-grade paper that makes your photos look like art (because they are).

Q: Glossy or matte?

A: Both. Glossy for drama, matte for elegance. Pick your poison.

Q: Can I order different sizes in one batch?

A: Yes, mix and match to your heart's content.

Q: Can you print from old photos or scans?

A: Yes, though quality depends on the original. We'll advise before printing.

Waiting Periods

Q: How long until I get my order?

A: Prints usually take 5–7 business days. Photo books and canvases need 2–3 weeks (great art takes time).

Q: Can I rush my order?

A: Sometimes. Depends on the project and our schedule. Ask nicely - we'll see what magic we can pull.

Q: Will I get tracking info?

A: Yes, once your order ships, you'll get a tracking link to stalk it lovingly.

Q: What if I need my order by a specific date?

A: Tell us upfront—we'll confirm if it's doable.

Q: WTF happens if there's a delay?

A: We'll let you know immediately, explain why, and work out the best fix.
